Altitude LEARNING

Add Student Work on a Mobile Device

Learners can add evidence of learning, including photos, images and files to playlist Cards from a mobile device.

1. Open Chrome browser on your mobile device (iPhone or Android)
   *Note: the recommended browser is Chrome, download if necessary.*

2. Navigate to your school-specific URL for Altitude Learning:
   thediscoveryschool.altitudelearning.com

3. Log in to Altitude Learning using your student account

   - If your school uses Google Authorization, click "Sign in with Google" **OR**
   - If your school uses a unique email and password, enter in the username and password fields.
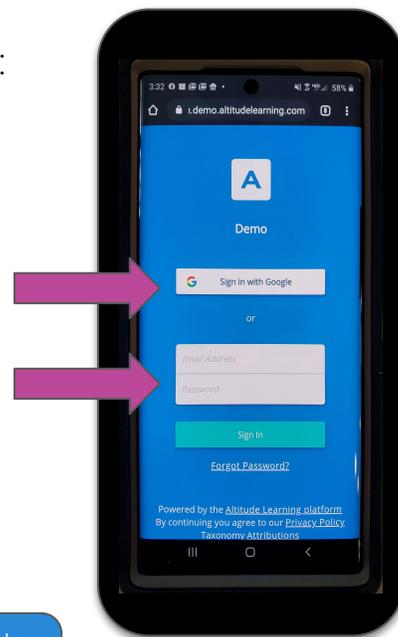

4. Open any Card on the Playlist.

   Click on a Card to open the assignment

5. Scroll to the Student Work section and select "Take a picture of student work"
   Take a new photo or video (up to 30 seconds)

   Select a photo or video from your device

   Browse files on your device

*If you aren't sure of your school-specific URL, ask your school or email **support@altitudelearning.com**
